

# From research to outreach

## 19.10 – 24.10.2025

A conference jointly organized by SMF and SMS enabling researchers to create outreach content from their own research, and experience what outreach can give back to research.

### Confirmed plenary speakers

**Sylvie Benzoni** (former IHP & Maison Poincaré director, Lyon 1)  
**Ann Doms** (chair of the EMS Education Committee, VUB)  
**Hugo Duminil-Copin** (Fields Medalist 2022, UNIGE)  
**Brady Haran** (Numberphile podcast and YouTube producer)

A specific focus will be on creating outreach content based on participants' research. Long workshops under the guidance of both researchers and outreach actors working together, covering different medias: talks, articles, video, podcast, hands-on activities.

### Organizers:

Pierre-Alain Cherix (UNIGE)  
Rémi Coulon (CNRS/U. Bourgogne)  
Bruno Duchesne (U. Paris-Saclay)

Shaula Fiorelli (UNIGE)  
Elise Raphael (UNIGE)  
Alain Valette (UNINE)
